DEFENCE WELFARE CALL

Avenues & Opportunities in Service Industry

While Sharpening Hobbies during Service

Defence Personnel and their wives are a very valuable HR who are well disciplined and can be strategically channelized for Service Industry related projects. Equally suited to the needs of the Service Industry, as a human resource, are the children of Defence Personnel. They are grow up well groomed with desirable manners and etiquettes, besides are imbibed with a pleasing personality. It has been seen that they slide into promising jobs, only because of their life style and the environmental head start that they receive while growing up in the Defence families, which are most befitting for the sunrise Service Industry.

Welcome to FINISHING SCHOOL for LIFE MANAGEMENT SKILLS

Finishing School is the concept that Empowers Teachers and Students beyond 3E's-Education, Employment & Entrepreneurship. It trains and works towards providing skills that touch the basics of life, and enforces the professional, personal and holistic growth of an individual. Finishing School works on an agenda towards empowering the inner potential for a fulfilling and efficient life.

It has a unique training methodology that incorporates learning, skills and self-development with a pedagogy/ curriculum that is entertaining, stimulating and rewarding. Finishing School's tailor made courses channelize individual energies towards a balanced, enriching life, meeting goals set forth. We utilize Content, Infrastructure, Systems and Digital Technology aids that enhance learning outcomes, developed in over three decades of experience in the education field, it finely blends into modern and futuristic industry set up and demand.

We had developed 5 days teachers Empowerment Program with NCERT (MoHRD, GoI) which includes the following modules: Understanding the learner, Teacher as a Counsellor, ICT in Teaching and learning, Development of Life Management Skills, Assessment - Evaluation and Learning outcomes.
